

# WEST END MOTORSPORTS Return Form

Wouldn't it be nice if we lived in a perfect world? Unfortunately we don't and sometimes mistakes happen. That's ok, we'll work together to make your return or exchange as painless as possible!

**Please Read Entire Policy before making your return or exchange:**

## BEFORE YOU RETURN...

- 1.) **Inspect your purchase BEFORE installation:** If you find any scratches, dents, defects, or other issues —**DO NOT INSTALL OR RETURN THE ITEM! Contact West End Motorsports within 7 calendar days so we can warranty or replace the item for you.** Warranties for visible defects (scratches, blemishes, etc.) become void once the product has been installed
- 2.) **If you encounter fitment problems during installation:** *please contact us before returning the item.* More often than not, additional instructions are all you need to get the part to fit properly, and our staff is happy to assist you with this.
- 3.) **If you think you were sent the incorrect part:** *please contact us first before returning the item to verify.*

## What is the reason for Return?

- There is a 10% restocking fee on all unopened returns. Items must be returned with individual product's packaging, not necessarily the shipping container. Please feel free to contact us to clarify.
- Please make sure to call us before sending back something that arrived damaged or shipped incorrectly. In those rare cases we can waive the restocking fee for you! Any items not returned in perfect, like new condition cannot be accepted.
- We reserve the right to charge our initial shipping costs when applicable
- A 20% restocking fee will apply to all opened returns with original packaging in re-saleable condition. Unless doing an exchange, in which case the fee is reduced to 10%
- **EFI Tuners, internal engine components, installed parts, electronics, clearance, and used items are not eligible for return.**
